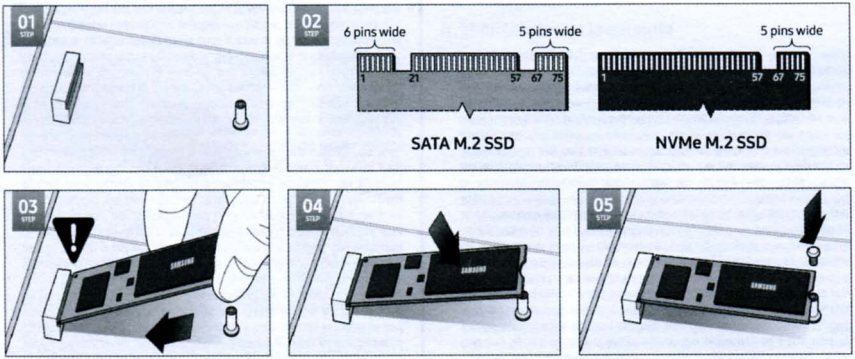
How to Install an M.2 SSD



Limited Warranty

For All Samsung SSD Series

A. Warranty Policy

SAMSUNG warrants to the original end user customer or purchaser of this Product ("You") that the Product is free from defects in material and workmanship, subject to the conditions stated herein, for the shorter of: (1) a period from the date of purchase of the product in its original sealed packaging until the expiration date of the Limited Warranty as specified in the Warranty Policy. (Refer to the entire Warranty Policy for details.) (If no proof of the date of purchase is provided, the warranty period will be considered to have started three (3) months after the date that the product was manufactured.), (2) the period ending on the date when the SSD has exceeded its TBW (Total Bytes Written) threshold as may be indicated by Samsung's Magician Software (for specific information on this threshold, please refer to the data sheet for your particular SSD product, which is available at www.samsung.com/ssd, www.samsung.com/samsungssd).

In the event SAMSUNG determines, in its sole discretion, that the Product suffers from material defects in manufacture and does not substantially conform to the published specifications under normal use, for as long as You own the Product, and subject to the conditions and exceptions stated in this Agreement, SAMSUNG will, at its option, either: (1) repair or replace the Product with a new or refurbished Product of equal or greater capacity, or another product of similar functionality; or (2) refund the current market value of the Product at the time the warranty claim is made to SAMSUNG if SAMSUNG is unable to repair or replace the Product

B. Warranty Limitations

The warranty stated herein shall not apply if: (i) the Product was not used in accordance with any accompanying instructions, (ii) the Product was not used for its intended function and environment (iii) any failure or defect arose out of the presence of a third party product, software or component, whether authorized or not, (iv) any failure or defect was a result of improper installation, misuse, unauthorized repair, modification or accident, and (v) there exist any other circumstances which SAMSUNG determines is evidence of a breach of this Agreement by You. You agree that the Product shall not be used in life support systems or other applications where failure could threaten injury or life. SAMSUNG disclaims any and all liability in connection with, arising out of, or related to, any such use of the Product.

In addition, Samsung is not responsible for any cost related to the installation or uninstallation of SSD for the purpose of upgrade or repair and for any cost related to the data recovery as a result of such operations.

SAMSUNG's warranty also does not cover Products which, by way of example, have been received improperly packaged, altered, or physically damaged. Products will be inspected upon receipt.

For the full warranty statement, please visit www.samsung.com/samsungssd/warranty or www.samsung.com/ssd.

Declaración de garantía

Para todas las series Samsung SSD

A. Política de garantía

SAMSUNG garantiza al usuario final original o al comprador de este Producto ("Usted") que el Producto no presenta defectos materiales ni de fabricación, de acuerdo con las condiciones expuestas en el presente documento, durante el período que resulte menos extenso de los siguientes: (1) un período desde la fecha de adquisición del producto en su embalaje original sellado hasta la fecha de vencimiento de la Garantía limitada, tal como se especifica en la Política de garantía. (Para conocer los detalles, consulte la Política de garantía en su totalidad). (En caso de no facilitar una prueba de la fecha de compra, se considerará que el período de garantía comenzó tres (3) meses después de la fecha de fabricación del producto.); (2) el período que concluya en la fecha en la que SSD exceda el límite total de bytes escritos (TBW, del inglés Total Bytes Written) como indica el software Samsung Magician (para obtener información específica sobre este límite, consulte la ficha técnica que corresponde a su producto SSD, que está disponible en www.samsung.com/ssd, www.samsung.com/samsungssd).

En caso de que SAMSUNG determine, a su entera discreción, que el Producto presenta defectos materiales de fabricación y que no cumple sustancialmente las especificaciones publicadas con un uso normal, en tanto que Usted posea el Producto y de acuerdo con las condiciones y excepciones establecidas en este Acuerdo, SAMSUNG podrá optar por: (1) reparar o sustituir el Producto por uno nuevo o uno restaurado de igual o mayor capacidad, o por un producto que ofrezca funciones similares; o (2) reembolsar el valor corriente de mercado que corresponda al Producto en el momento en el que se reclame la garantía a SAMSUNG, en caso de que SAMSUNG no pueda reparar o sustituir el Producto

B. Limitaciones de la garantía

La garantía contenida en el presente documento no será aplicable en los siguientes casos: (i) si el Producto no se ha utilizado de conformidad con las instrucciones que lo acompañan; (ii) si el Producto no se ha utilizado para la función y en el entorno previstos; (iii) si se produce algún fallo o defecto como consecuencia de la presencia de algún producto, software o componente de terceros, ya sea con o sin autorización; (iv) si se produce algún fallo o defecto como resultado de procedimientos de instalación, uso, reparación no autorizada o modificación inadecuados o por accidente; y (v) si se dieran cualesquiera otras circunstancias que SAMSUNG considere prueba del incumplimiento de este Acuerdo por su parte. Usted acepta no utilizar el Producto en sistemas de supervivencia u otras aplicaciones donde un error pueda suponer una amenaza de lesión o ponga en riesgo la vida. SAMSUNG renuncia a toda responsabilidad derivada de cualquier uso de este tipo del Producto o que esté de algún modo relacionada con él.

Además, Samsung renuncia a toda responsabilidad por cualquier costo relacionado con la instalación o desinstalación de SSD, a efectos de actualización o reparación, y por cualquier otro costo relacionado con la recuperación de datos como consecuencia de dichas operaciones.

La garantía de SAMSUNG tampoco cubre los Productos que, a modo de ejemplo, se hayan recibido en un embalaje inadecuado, se hayan modificado o presenten daños físicos. Los Productos se deberán inspeccionar a su recepción.
